# 10 Click "Apply"

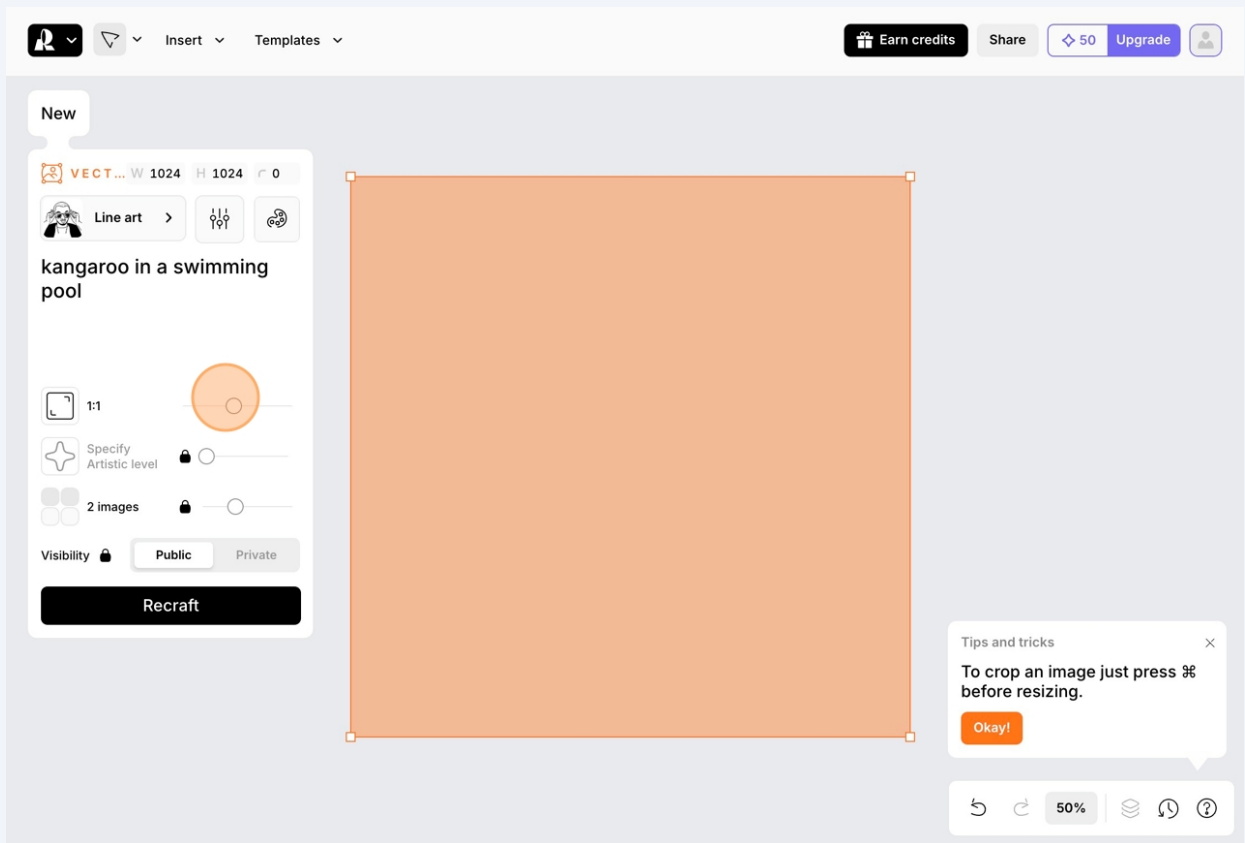

The screenshot displays the Recraft AI interface. On the left, a 'New' project panel shows the prompt 'cute red panda' and a 'Recraft V3 Raw' model selection. The central workspace features a grid of art styles: 'Young adult book 2' (a character in a green space suit), 'Seamless Digital' (a blue and gold damask pattern), 'Line art' (a man with sunglasses and a pin), and 'Linocut' (a woman's face in a circular frame). A 'Vector art' section is also visible. On the right, a sidebar shows the current style 'Recraft V3 Raw' and model 'Recraft V3', along with buttons for 'Add to saved' and 'Copy style ID'. An 'Apply' button is overlaid on the 'Line art' style.

## 14 Click "Recraft"

The screenshot displays a web application interface. At the top, there is a navigation bar with a profile icon, a search icon, and dropdown menus for 'Insert' and 'Templates'. On the right side of the navigation bar, there are buttons for 'Earn credits', 'Share', '50' (likely credits), 'Upgrade', and a user profile icon.

The main content area is divided into a left sidebar and a central workspace. The sidebar, titled 'New', contains a search bar with the text 'VECT... W 1024 H 1280 r 0'. Below the search bar, there is a 'Line art' filter and a 'kangaroo in a swimming pool' search result. The sidebar also includes a '4:5' aspect ratio selector, a 'Specify Artistic level' toggle, a '2 images' toggle, and a 'Visibility' section with 'Public' and 'Private' options. At the bottom of the sidebar, a 'Recraft' button is highlighted with an orange circle.

The central workspace features a large orange rectangular area with a thin border and small square handles at the corners, indicating it is a placeholder for an image. To the right of the workspace, there is a 'Tips and tricks' notification box with the text 'To crop an image just press ⌘ before resizing.' and an 'Okay!' button. At the bottom right of the workspace, there is a toolbar with icons for undo, redo, a '50%' zoom level, and other utility icons.

15 Click this button.

The screenshot shows a web application interface for generating and editing images. The main area displays a line-art illustration of a kangaroo in a swimming pool. The left sidebar contains controls for prompt extraction, aspect ratio (4:5), artistic level, and number of colors. The top navigation bar includes options like Repaint, Erase, Remove bg, Change bg, Rasterize, Creative Upscale, Export, Share, and Upgrade. A 'Recraft' button is visible in the sidebar. A tooltip and a 'Tips and tricks' box are also present.

The image shows a digital art application interface. At the top, there is a toolbar with icons for Repaint, Erase, Remove bg, Change bg, Rasterize, and Creative Upscale. To the right of the toolbar are buttons for Export, Share, 46, and Upgrade. On the left side, there is a sidebar with the following elements: 'New Fine-tune Variate' buttons, a 'VECT...' header with 'W 1024 H 1280' and 'r 0', a 'Line art' style selector, a prompt input field containing 'kangaroo in a swimming pool', an 'Extract prompt' button, a '4:5' aspect ratio selector, a 'Specify Artistic level' slider, a '2 images' image count selector, a 'Visibility' dropdown set to 'Public', and a 'Recraft' button. Below these is a 'Number of colors' section with a 'Colors 2' slider and a '#000000FF' color code field. The main canvas displays a line-art illustration of a kangaroo standing in a swimming pool. A red bounding box is drawn around the kangaroo. At the bottom center of the canvas, there are two small thumbnail images: one showing a landscape with palm trees and another showing the kangaroo in the pool. On the right side, there is a 'Tips and tricks' popup with the text 'To crop an image just press ⌘ before resizing.' and an 'Okay!' button. At the bottom right, there is a navigation bar with a back arrow, a refresh icon, a '50%' zoom level, and icons for layers, undo, and help.
